Article 1. Welcome, Culture & Core Values

Nexus Corporation fosters an environment grounded in relentless customer focus, radical transparency, accountability, and psychological safety. All employees, contractors, and executives are expected to conduct themselves with the highest degree of integrity and professional excellence.

We are unequivocally committed to maintaining a diverse, inclusive, and harassment-free workplace. Any forms of verbal, visual, physical, or sexual discrimination or harassment are met with immediate zero tolerance, triggering rapid investigation and potential summary dismissal.

Article 2. Working Hours, Core Collaboration & Time Tracking

The standard work week comprises 40 hours for full-time regular personnel, scheduled across Monday through Friday.

Core collaboration hours are established from 10:00 AM to 4:00 PM local time across our respective operational time zones. Employees must remain reachable via corporate Slack and email during core hours.

- Overtime and on-call rotations must be scheduled transparently and shared equitably among eligible team members.
- Non-exempt employees are entitled to 1.5x hourly overtime compensation for hours logged in excess of 40 weekly hours, requiring advance supervisor pre-authorization.

Article 3. Remote Working Abroad & Extended Sabbaticals

Employees in good standing may work remotely abroad from an approved international jurisdiction for up to 20 business days per calendar year.

NOTE / REQUIREMENT: Employees may work remotely abroad for up to 20 days annually upon manager and HR compliance sign-off. Compliance review guarantees tax residency safeguards and data export sovereignty.

- Applications must be submitted through the Employee Portal at least 30 calendar days before the anticipated departure date.
- High-risk travel destinations or countries under strict trade sanctions are ineligible for international remote work.
- Sabbaticals without pay may be granted for educational, personal, or public service purposes for up to 90 calendar days following 24 months of continuous service.

Article 4. Professional Development & Educational Stipends

To support continuous mastery, each full-time employee receives an annual learning and development budget of \$1,200.

- Reimbursable categories include industry conferences, accredited technical certifications, college coursework, and professional books or software subscriptions.
- Invoices and completion certificates must be submitted within 30 days of course completion via the expense workflow.

Article 5. Conflict Resolution, Grievances & Ethics Hotline

Workplace disagreements should initially be addressed collaboratively between involved colleagues and their immediate manager.

If a conflict involves supervisory misconduct, retaliation, or illegal activity, employees are instructed to escalate directly to People Operations or report securely through the 24/7 Anonymous Ethics Hotline (ethics@nexus-corp.internal or 1-800-555-0199). Retaliation against whistleblowers is strictly prohibited by federal and corporate statute.
